

We are Impacting the World Around Us

As Jesus teaches, we intentionally and boldly serve others to show God's love. By doing justice and showing mercy, we humbly care for all people. God's kingdom shines brighter when everyone shares their talents and spiritual gifts.

"In the same way, let your light shine before people, so they can see the good things you do and praise your Father who is in heaven."
-Matthew 5:16

We are Impacting the World Around Us

Devotion

Read Matthew 5:13-16

- As Salt preserves meat, we are to preserve God's world that he has given us.
- In this Value, we state that 'we intentionally and boldly serve others to show God's love'.
- How does our serving help preserve God's world around us?
- Jesus says to 'let your light shine before people'.
- How have you seen Horizon's shine God's light?
- What is one way you have shown God's light recently?
- Why is it important for us to focus on this individually and a church community?

Read Matthew 5:1-12

- Jesus taught these Beatitudes after a large following of people came to him after he performed miracles all throughout Galilee.
- How are these Beatitudes related to being Salt and Light?
- Based on the Beatitudes, is your life's light more like a flickering candle? A steady campfire? A blazing furnace?
- How can you add fuel to the fire
- List a few of your ideas, and pray this week, asking God to show you how to shine his light throughout our community and world.
