Dear Horizons Community:

It is with sadness and gratitude I share that David, our worship leader for the past 2.5 years, has decided to pursue other ministry options. We have appreciated David and his wife Carley's leadership in our worship and high school ministries and his willingness to step into a big role and grow as he served. David's last day was March 23rd, and we wish him all the best. Your notes of appreciation can be sent to davidjloos@gmail.com.

The members of the worship team will continue to offer high caliber worship during this next season, while the SPPRC comes together to begin their formal worship leader search. If you have any questions, please contact the SPPRC Chair, Scott Samuelson (1scottsam@gmail.com) or me (jason@horizonschurch.org).

In Christ,
